PRESS RELEASE

(For immediate release)

Aylmer, Gatineau, May 12, 2017 -- Interclubs Aylmer celebrates its 40th anniversary this year. To commemorate this achievement, a 5 to 7 gathering took place at CHARTWELL Monastère d'Aylmer on May 11, 2017.

Some 75 people were at this memorable event. During the evening, Interclubs Aylmer President, Jean-Guy Caron, Gatineau Mayor, Maxime Pedneaud-Jobin, Pontiac MNA, André Fortin, and MPs for Pontiac and Hull-Aylmer, William Amos and Greg Fergus, addressed participants. The representative of an organization receiving donations from members of Interclubs Aylmer, Gérard Émond, Director General of the Aylmer Food Bank, expressed his appreciation and stressed the importance of Interclubs Aylmer and its service clubs for the Aylmer community. Without exception, they all recognized the volunteer work accomplished and encouraged members to continue their commitment to the well-being of the community.

Eight service clubs form Interclubs Aylmer (Aydelu, Knights of Columbus Council 5281, Civitan, Royal Canadian Legion, Lions, Optimist, Richelieu and Rotary). Together, they address community needs and share information about their respective activities, while supporting and encouraging common efforts to realize major projects or run fund raising activities. The two main challenges facing these service clubs are recruitment and funding. Therefore, we invite people to join one of those clubs and to be generous and support their fund raising activities.
